

## BENCH SPONSORSHIP APPLICATION

**BENCH NUMBER**

- 1. Choose Your Bench:** There are 266 benches to choose from between the Museum of Science and the Boston University Bridge. If there is not a plaque installed on the platform, you may reserve that bench. The picture to the left shows where the bench identification numbers are located. You will need to retrieve that number for this application.
- 2. Compose Your Inscription:** The 4"x8" cast bronze plaque can accommodate 70-80 letters, or approximately 10-12 words. Simple messages work the best. (Please note, the words "gift" and "given" cannot be used.)
- 3. Complete This Application:** Fill out and sign the application form. Send the completed form to The Esplanade Association, including either your check or credit card information.
- 4. Approve the Proof of Your Plaque:** You will receive a photocopy of the plaque before it is cast. Initial your approval and return by mail or fax.
- 5. Enjoy Your Bench:** After final approval, it will take 4-6 weeks to manufacture the plaque. You will be notified when the plaque is installed.
